

Poster project rubric:

These are the expectations for the Semester Group Poster project and presentation.

The project will consist of a poster and presentation, and should cover any topic taught this semester. Each group must have 2 members, who will equally contribute to the final product. ****Topics and groups must be approved****

The poster is due on Friday, December 11, and the presentation will be in-class on December 14-16 (depending upon the final exam review schedule for your class period). Please let me know if you have any questions.

Poster requirements:

- On a poster, and contains appropriate items and information (to the topic)
- Colorful and creative
- Clean, neat, and well organized
- Accurate spelling, punctuation, and grammar
- Both group members must contribute

Presentation requirements:

- At least 6 minutes in length (3 minutes per person)
- Thorough coverage of concept
- Displays creativity, individuality, or unique perspective
- Displays precision and structure; not freestyled or created on the fly
